CLASS HISTORY

When we entered high school as green freshman, we had a total of twenty-five in our class but during the year Willie Kirby and Joe Reed dropped out.

Our class officers were as follows: President, Lynell Williams; Vice President, David Earl Rogers; Secretary, Barbara Jacobs; Treasurer, Cornelia Jacobs; Reporter, Louise Barnes; Sergeant-at-Arms, Ray Allred and Mr. Howard as our Sponsors.

Barbara, Louise, and Cornelia made the basketball squad.

We reentered school in August as silly sophomores with a class enrollment of eighteen. Our officers were: President, Billy Joe Parker; Vice President, Lynell Williams; Secretary-Treasurer, Cornelia Jacobs; Reporter, Louise Barnes; Sergeant-at-Arms, Benny Black; and Mr. Crawley was our Sponsor.

Members of the basketball teams were Mary Jo Wilson, Shirley Teeters and Louise Barnes.

When we returned the following year as Jolly Juniors we numbered nineteen. Officers were: President, Billy Joe Parker; Vice President, Don Hayes; Secretary, Cornelia Jacobs; Treasurer, Barbara Jacobs; Reporter, Louise Barnes; Sergeant-at-Arms, Lynell Williams; Miss Taylor served as our Sponsor.

Members of the basketball squads were: Barbara, Mary Jo, Cornelia, Shirley, Louise, Billy Joe, Don and Charles.

We presented a Negro minstrel at the beginning of school and favored the Seniors with a banquet at the Brown Hotel.

In August of 55 we returned as dignified seniors to take our final fling at education. We had a class of sixteen. We traded students at Christmas; we lost Charles Bell as he migrated north but Louise Barnes rejoined us.

Our officers were: President, Billy Joe Parker; Vice President, Charles Jacobs; Secretary, Barbara Jacobs; Treasurer, Wayne Crawley; Reporter, Charles Bell; Sergeant-at-Arms, Benton Rigsby. We elected as Sponsors, Mr. Womack, Mr. Freeman and Miss Taylor.

The two Charles, Jacobs and Bell, made the basketball team.

We are looking forward to our class trip and the junior-senior banquet.

We, in co-operation with the P. T. A., were in charge of the Alumni banquet.

We also plan to give a play later in the school year.

CLASS WILL

We, the Senior Class of Morrison leave to the oncoming seniors our booth at the Warren County Fair.

To the faculty we leave our thanks for their effort in preparing us for the future.

Best of everything to

Mr. Freeman

Another basketball season has almost come and gone but with its passing we still have the pleasant memories of knowing that at all times you gave your best regardless of the obstacles confronting you.

As you go forth from this institution you will look back and see that your devotion and loyalty to your school will give you a sense of self pride to know that in sports as in the game of life, that a WINNER NEVER QUITS and a QUITTER NEVER WINS. I will remember the 1955-56 Morrison Eagles as a team who was lacking in size and height but made up for it in desire and determination which is a sign of strength on the part of those who participated.

Many, many thanks, girls and boys, for a job well done. You are to be commended for your contribution to the great game of basketball.

The Morrison girls' squad was inexperienced as game conditions goes with only one junior and no seniors on the team. So the fate of this year's team fell in the hands of the sophomores and the freshmen.

Regardless of the playing conditions or the team they were playing the girls always gave all they had and the people sat back and admired their spunk. With a spirit that would never quit the girls won their share of the games. The games were always exciting and close right down to the wire. When the going got the roughest that's when the girls got the toughest.

This year's team was good but next year's team should be great with not a single player departing from the squad.

Once again it is hats off to Coach Freeman and his gallant girls' team for a tremendous job.

Thanks to Frances Holland for a swell job as manager.

Dear Claudia.
Its been nice knowing you. I wish you & Ekdoel much happiness. Be sure & finish school. your friend
Mrs. F. H. Tempsemy

It was a green group of boys as far as game experience goes that greeted Coach Freeman's call at the out set of basketball practice.

When the opening game rolled around the starting five was composed of one senior Charles Jacobs, two juniors, Dick Duke and Don Hobbs and two sophomores, Billy Dearman and Jack Youngblood.

This year's team was not so big as far as size goes. The starting five was composed of only two men six feet or better. The other three starters were only five-ten. What the Eagles lacked in size they made up with a gallant heart and a lot of spirit and determination. We here at MHS like to refer to them as the "Team called Desire."

Although the won and lost record was not on the tremendous win side, we still like to think of this as one of the outstanding teams in Morrison history because of the extremely difficult schedule they were faced with. Included in the Eagles' victims were the Manchester Red Raiders for the first time in over a decade.

It is hats off to Coach Freeman and his Eagles for a job well done. The past was bright but the future is even brighter as next year's Eagles should be the cream of the crop in the mid-state area with the departure of only Charles Jacobs. We wish the best of luck to the Eagles of 56-57.

Thanks to our manager Earl Barr and Bobby Mitchell for a great job.

Claudia;
Best of luck to a real sweet(?) girl. This place won't be the same when you are gone because I won't have anyone to fuss with. I hope you and Lionel have a houseful of kids and you will run your head off running after them. "See you later, alligator."

Love you every once a while,

Jay

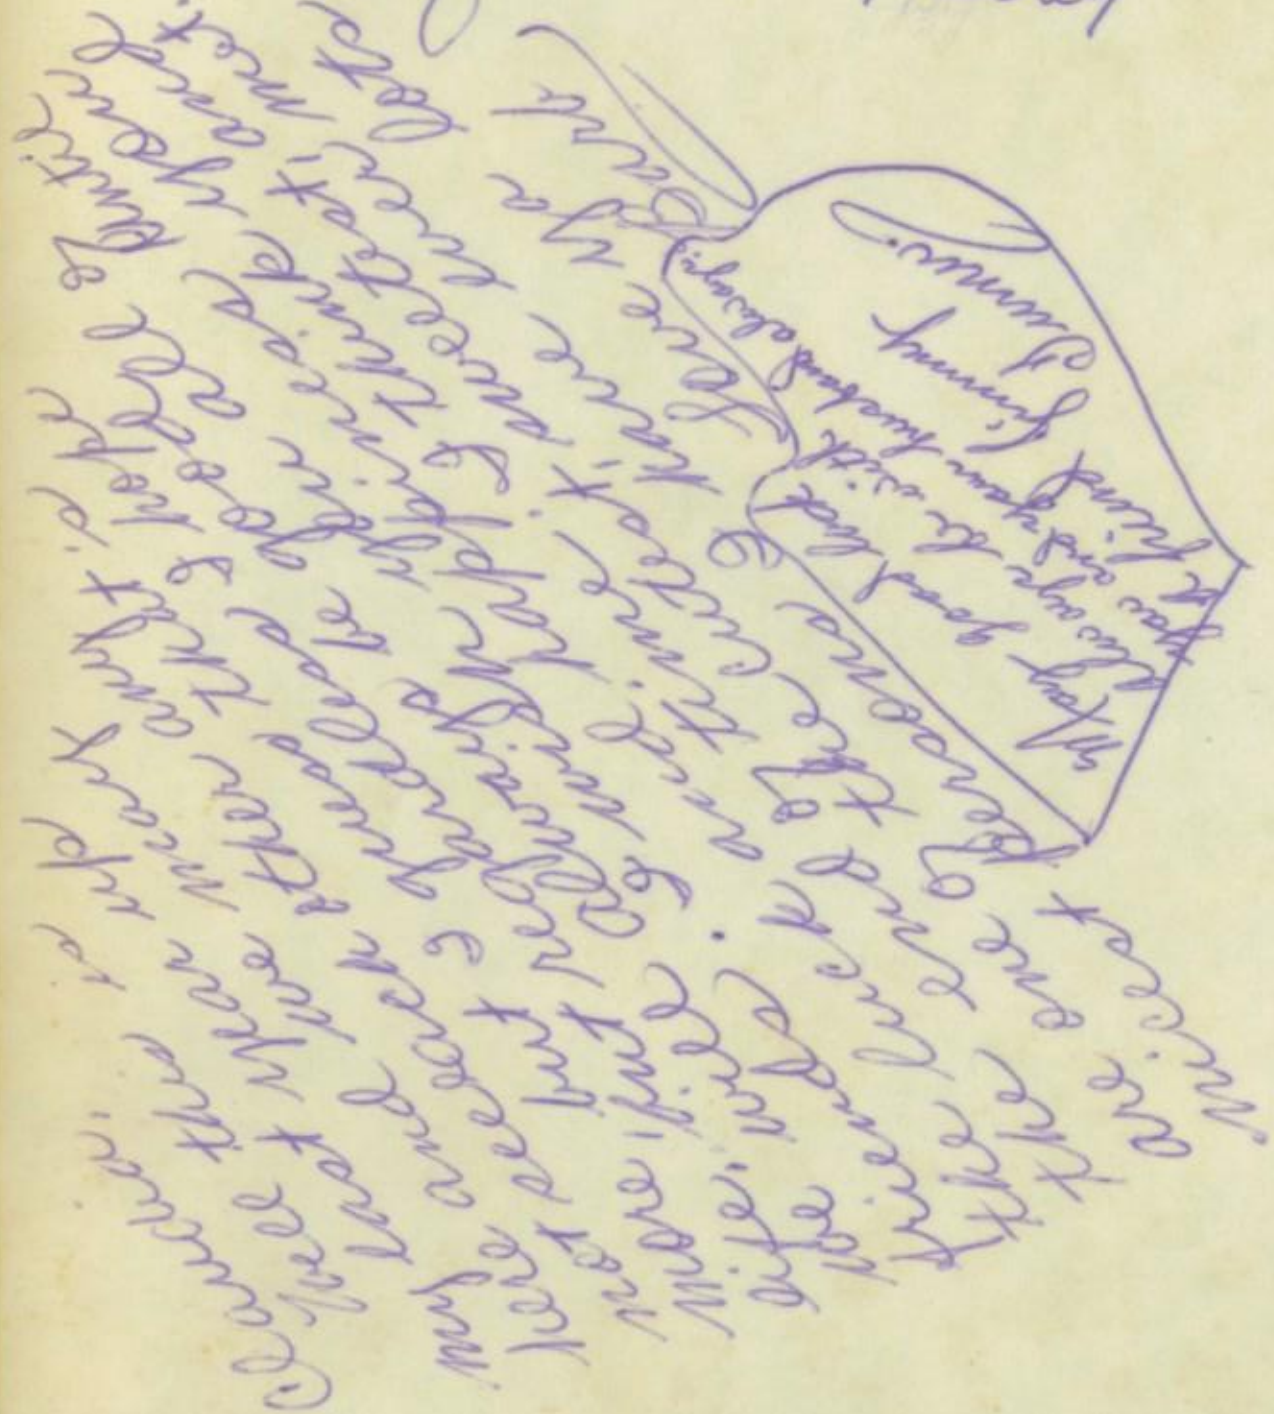
Claudia it has been nice knowing you for the past few years. It has been nice knowing you and to be a classmate of yours. Hope you have all the luck in the world.

Jerry Cathey



It has been a pleasure to attend the same school as you. May you truly enjoy your remaining school days no matter where they are spent. I sincerely hope that you and Lionel will always live in happiness and prosperity. I extend to you my very best wishes and may Lady luck always shine on you. You can't even read this, so I had better quit my messing up your annual which was edited by the greatest senior class in the history of Morrison.

Charles "El Chico" J.

Claudia:

Claudia, I never can express in words how I feel about you. You are one person in Morrison that I shall never forget as long as I live. You help me through things more than any other person here. You understand just how a person feels when they need someone near them.
